Gentlemen:-
I return herewith my application for passport
and accompanying papers, which will in part explain
themselves.

The "form of application" is, I think, correct, for I
hold that I am a "native citizen"

Arnold Koch, my father, was a naturalized citizen
of the United States before I was born, as will appear
by reference to the enclosed passport granted him by
your department on the 23rd day of July 1864 and
endorsed by the U. S. Consul at Bremen on the day of
my birth August 15th 1864.

My father and my mother, who was a native born
American, were traveling in Germany when I was born
on the 15th day of August 1864, after my father, as stated
had become an American citizen.

I presume this statement will call your attention
to the declaration in which appears the facts as stated,
to wit; that my father was a naturalized citizen on the
23rd day of July 1864 and that I was born on the 15th
day of August 1864.

If this is not satisfactory kindly indicate to me what
is necessary to complete my application and oblige

Yours respectfully

J. Koch

I prize the same very highly and
would respectfully ask you to return
